Ashad Ullah Khan

Mobile: 8171255967, 9927735460

Email: nkzzkhan@gmail.com

Objective

To pursue a challenging career and be part of a progressive organization that gives scope to enhance my knowledge, skills and reach the pinnacle in the Computing, Testing and research field with sheer determination, dedication and hardwork.

Educational Qualification

- Master of Technology (MTech) CSE, from Integral University, Lucknow.
- Master of Computer Application(MCA), from Abdul Kalam Technical University, Lucknow.
- Bachelor of Computer Application(BCA), from Kanpur University, Kanpur.
- 12th, from CBSE Board
- 10th, from CBSE Board

Project:

The following projects were not only developed end-to-end by me but also have been tested successfully throughout using Manual and Functional testing, to test each and every aspect of data flow and User experience:

Name	Develo ped during course	Year	Tools /Langu age	Data base	Description	Testing
Student Record System	BCA	2013	ASP.N ET,C#	SQL 2009	It enabled the Register and Record officers to efficiently,	Manual and Functional

					accurately and effectively process and co-ordinate the various students activities in the institution without much difficulties with little time.	
Banking Management System	MCA	2017	Java	SQL 2010, Netbeans	It was a web-based centralized system, which helped to maintain the bank account records and transaction records of customers. It helped to track all the banking activity easily.	Manual and Functional
Online Payment System	(part time training programme)	2018	PHP	SQL 2009	It was a web based project to manage payment mode, bill,branch,receipt,account and location.	Manual and Functional

Dissertation:

- As a part of M.Tech programme, I have completed the research and prepared the dissertation on the topic of “Interactive Classroom” using DSS with Web Mining approach. The language of Soft Computing and Artificial Intelligence was used in it. The research paper has been published successfully. .

Other Knowledge Areas:

- Artificial Intelligence, Software Testing, Manual Testing, Functional Testing, Networking, Reporting.

Personal Details

Name : Ashad Ullah Khan

Father name : Ashraf Ullah Khan

Date of Birth: 02.07.1992

Nationality: Indian

Address : 672, Naurangabad, Etawah. U.P. 206001

Hobbies : Reading, Travelling, Exploring.
