

Ashwineya Raut

Profile Summary

An individual stock trader with around 3 years of professional stock market experience and currently CFA Level 1 candidate. Knowledgeable about market fluctuations and skilled in trade analysis and portfolio management. Also, experienced in a number of discrete sectors such as commodities, derivatives, equities, and currencies (Forex).

Exposure

- **3 years of experience in Forex and Indian Stock market**
 - Expertise in trading in the currency markets like EUR/USD, USD/JPY, CAD/USD etc., Dow Jones, S&P500 as well as Forex commodity markets like gold.
 - Have successfully executed scalping in various scripts like index, commodities, currency, and accordingly generated my set-up on the basis of Indian time leveraging the market volatility.
 - Within the Indian stock market have expertise in trading within large cap, mid cap and small cap wherever chart generation is feasible, and option trades, as well intraday trades.
 - Perform research of market trends and technical analysis of underlying assets and equities for buying and selling of shares and stocks.
- **Currently working on Hedging Strategies**
 - Analysis of financial data to develop trading strategies.
 - Hedging in leveraged positions and volatile markets.
 - Have developed an understanding of basic strategies like straddle, strangle, calendar spreads, Iron condor, etc.
 - Successfully performing back testing of my personal portfolio implementing self-evaluated hedging strategies across a timespan of a month, week, and day, involving changes considering capital availability, and combination of index & stocks.
 - Have recorded 6-8% ROI per month based on my created back-tested strategies.
