

The iot Academy

Respected Sir ,

I want to join Data science programme to create my future.

I have done B.com. I have left study before 10 years. Since 10 years , I am with my family business. Because of family matters I have to leave study.

Now , I want to crate my future as world is growing and economy rules are changing.

As, analyzing and mathematics are one of my favourite subject, I can create my future easily and successfully.

So, I want to join this programme
