

CARRICULUM VITAE

DEEPAK RAMESH SHELAR

Add. : - 1299,Pethbhag, Jamwadi Sangli 416416 Taluka-Miraj, Dist- Sangli.
Email: - mr.deepshelar@gmail.com mr.deepshelar@rediffmail.com
Mob.: - +91 9595887794

CAREER OBJECTIVE

“Not only to have a growth oriented and challenging career in the field of Electrical Engineering but also implies my knowledge and experience to promote the growth of the organization”

SYNOPSIS

- ⇔ 5+ year Industrial experience in Electro-Mechanical stream Industry.
- ⇔ Sound knowledge of MATLAB, MI-Power, PROTEUS P-Spice, Auto-CAD, CATIA, EXCEL PROTEUS SCHEMATIC
- ⇔ Knowledge of maintenance systems and key utilities DG, Transformer etc
- ⇔ Familiarity with standard electrical engineering practices, methods, and techniques.
- ⇔ Focused & goal driven with strong work ethics, continuously striving for improvement.

EDUCATION

Post Graduation	M-Tech in Power System
Institute	Walchand College of Engineering Sangli (Autonomous)
Board	Shivaji University
Class	First class (7.89 CPI)
Year of passing	August 2014
Graduation	Bachelor of Engineering in ELECTRICAL
Institute	Government College of Engineering, Jalgaon.
Board	North Maharashtra University
Class	First class (69 %)
Year of passing	May-2011
Diploma	In Electrical Engineering
College	Walchand College of Engineering Sangli
Board	M.S.B.T.E.
Class	First class (71.38 %)
Year of passing	May- 2008
SSC:-	
School	City High School Sangli
Board	Kolhapur
Class	First class (68.13 %)
Year of passing	March-2005

ACADAMIC PROJECTS

1. 'Fundamental frequency modulated FLDC-Multilevel Inverter fed 3 Ph IM with standalone PV System' (M-Tech Dissertation 2013-14)

Description: Developing PV String , Developing 3 ph IM Model in Matlab and Implementation of SHEPWM method for Diode Clamped Multilevel Inverter. The aim of this project is to study and analysis SHE PWM method DCMLI and 3 ph IM performance.

2. 'Fluid Mechanics Based Wind Power Generation' (B.E.ELECTRICAL-2011)

Description: Fluid Mechanics Based Wind Power Generation is test model used for power generation using wind energy at high performance which can run on hydraulic i.e. fluid mechanics principle which is not in practice in India. Achievement: 1. Role as Design head. 2. Best project in College level.

3. 'Economical Pump Control System' (Diploma ELECTRICAL)

TECHNICAL SKILLS

MATLAB(Simulink) 12, AUTOCAD, CATIA (Sound in) Mi-Power, E-TAP, POWERWORLD EXCEL, LABVIEW P-SPICE, PROTEUS, KEIL, SCHEMATIC, ANSYS MAXWELL

CURRENT ACHIEVEMENTS & AWARDS

- 1) Successfully complete the project, 'Fluid mechanic based and micro-controller based as well Automatic solar tracking system' In 'MECHSUN' industry. Sangli.
- 2) Successfully design axial flux DC Generator.
- 3) Successfully design and develop 0.5KW Wind power plant in comparatively min.cost
- 4) Successfully design and development of pitch angle control system for wind plant.
- 5) Currently working on development of Rankin cycle Thermal power projects.
- 6) Have Experience of teaching, sub. Taught- Electrical Machine Design, Power system analysis

PUBLICATION

Conference and Journal Title-

A) 'High frequency modulated five level diode clamped multilevel Inverter fed three phase load by photo-voltaic system' in 'IEEE SPONSORED ICCPEIC 2014 April 16TH - 17TH, 2014, Melmaruvathur,TN. India.

B) 'Experimental Validation Of Solar Water Pumping System or Agriculture Purpose' International Journal Of Advance Research In Science And Engineering ISSN(O):2319-8354, ISSN(P):2319-8346

C) 'Automatic Wall Painting Machine' in International Journal of Innovative in Engineering Research and Technology. ISSN2394-3696 Impact Factor 5.558 2017-18

D) 'Dual Axis Solar Tracking Without LDR Using Arduino' in International Journal of Innovative in Engineering Research and Technology. ISSN2394-3696 Impact Factor 5.558 2017-18.

EXPERIENCE And Role

Worked as an Senior Electrical Engineer in "MECHSUN INDUSTRIES" from 1 Aug 2014 onwards. (RnD Cell)

ROLE:-

- ❖ Building the literature survey for the project.
 - ❖ Making work-flow or scenario of project
 - ❖ Doing software analysis of product in MATLAB, P-Spice.
 - ❖ Building hardware Preparing Approval drawings for the same as per Requirement.
 - ❖ Execution of the work being a Team leader.
 - ❖ Making real time analysis.
 - ❖ Preparing work report, Analysis report.
 - ❖ Troubleshooting.
-

❖ Publication.

AND

❖ Handling project of erection, installation of Electrical substation of MSEB and KPTCEL And production of Infra for same

❖ Maintenance systems and key utilities DG, compressor, chillers, etc

❖ Handling Micro controller 8051Based projects

❖ Sound in Embedded and wire Harnessing

Work on solar thermal Projects.

WORKSHOP AND INDUSTRIAL TRAINING

1 day workshop on Grid connected Solar roof top and off grid projects

5 day workshop on CATIA industrial Application for electrical industry, Jan.2016

3 day workshop on PLC-SCADA industrial automation at WCE, march.2012

1 day workshop on DSP

1 week FDP on Power Electronics at WCE, march.2013

Organization: PCE ELECTROCONTROLS pvt.ltd.Sangli. (Control panel)

MAGNEWIN-MAGNETICS pvt.ltd.Sangli. (Capacitors)

Shrinath Electricals pvt.ltd.Sangli.(Transformers)

SHREE industrial services, Raigad.

Extra circular activity

Technical-COORDINATOR in state level GCOEJ 'TECHNO-ARENA'.

Cultural- Winner in state level cultural event 'RHYTHM at Navalnagar.

Winner in dance and drama competition at college and university level.

Others- Participate and winner in 'KILLA-Spardha' at different level in Diwali sins 20 year Making decoration for 'GANESHOTSAV' also wining prize for that at state and district level.

Participant in Different Durgasanvardhan Mohim

STRENGTH

Positive Attitude. Belief in Team-Work. Hard Working. Result Oriented.

PERSONAL INFORMATION

Name: - Mr. Deepak Ramesh Shelar

Email: - mr.deepshelar@gmail.com / mr.deepshelar@rediffmail.com

Mob. : - +91 9595887794

DOB: - 07 Nov 1988

Marital Status: Married

Language: - English Hindi Gujarati Marathi

Nationality :- Indian

Hobbies:- Exploring The New Places, Traveling, Bodybuilding

DECLARATION

I hereby declare that the above written particulars are true to the best of my knowledge and belief.

Date:

Place: SANGLI.

Deepak Ramesh Shelar.
