

CURRICULUM VITAE

PERSONAL DETAILS

Full Name : Dr. Debabrata Sethi

Designation : Scientist (Since April 2009)
(Indian council of Agricultural research)

Date of Birth : 5th July 1981

Aadhar Numbe : 5680-2274-8820

Mobile numbe : 7008103447

e-mail id : debabrata.sethi@icar.gov.in

Mailing Address : Dr. Debabrata Sethi
ICAR-Indian Institute of water management,
Chandrasekharpur, Bhubaneswar, Odisha-751023,
India

Experience in evaluating similar proposals:

Acted as Evaluator in Smart India Hackathon-2019, Hardware edition and acted as jury in the grand finale of the event at CSIR-CSIO Chandigarh in 2019.

The problem statement submitted by me on behalf of our institute was one out of the two proposals shortlisted for development of hardware under the event.

Academic Qualification

Sl.No.	Examination	Name of Board/ Institute/ Univ.	Year of passing	Subject
1.	High School	Board of Secondary Education, Orissa	1996	Maths, Biology, Science, Social Science, English, Sanskrit, Oriya.
2.	Intermediate (I.Sc.)	Council of Higher Secondary Education, Orissa	1998	Biology, Physics, Chemistry, Maths, Oriya, English,
3.	B.V.Sc & A.H.	College of Vet. Sc. & Animal Husbandry, Orissa	2004	All Subjects of Vet. Science & Animal Husbandry
4.	M.V.Sc	Indian Veterinary Research Institute, Deemed University, Izatnagar	2006	Veterinary Extension Education and Poultry science
5	P.H.D.	Indian Veterinary Research Institute, Deemed University, Izatnagar	2012	Veterinary Extension Education, Bio Statistics and Poultry science
6	PG diploma in e-Leaening	Indira Gandhi National Open University (IGNOU), New Delhi	2012	E-learning course development and deployment
7	PG Diploma in Agricultural Extension Management	National institute for agricultural extension management - (MANAGE), Hyderabad	2016	Agricultural extension planning and management, Knowledge management
8	NET(National Eligibility Test)	UGC (University Grant Commission)	2006	Adult education/ Non-formal Education
9	NET(National Eligibility Test)	ICAR	2007	Veterinary Extension education

Experience as Jury and evaluator in SIH and MSME-GIZ

Sl no	Role played	Event	Year	Organizer
1	Jury in grand finale	Smart India Hackathon 2019 Hardware	2019	Ministry of HRD, GOI

		edition		
2	Evaluator	-do-	2019	MHRD, GOI
3	Evaluator	Ideas For New India Challenge 2020	2020	Ministry of MSME (GOI) and GIZ (Germany)
3	Reviewer	SITARE-Gandhian Young Technological Innovation Award Grant	2021	SRISTI-Techpedia

IOT Devices developed:

1. Mobile App based remote irrigation-pump control system with hardware, mobile App, cloud computing and internet communication
2. Multi-field irrigation controller with pump and solenoid valve control.
3. Ultrasonic sensor based real-time water level monitoring device

Trainings undergone

Sl. No	Topic	Institute	Year
1	Introduction to GIS and its applications	NRSC, Hyderabad	2010
2	Recent Advances in Survey Design and Analysis of Survey Data using Statistical software	ICAR-IASRI, new Delhi	2014
3	Training on “Hydrological study and monitoring of watersheds under PMKSY” from 18 th to 22 nd September, 2017 at ICAR-IIWM, Bhubaneswar.	ICAR-IIWM, Bhubaneswar	2017
4	Training on “Concepts of standard design, layout of different structural measures in watershed under PMKSY” from 24 to 28 th October, 2017 at ICAR-IIWM, Bhubaneswar.	ICAR-IIWM, Bhubaneswar	2017
5	Training on “Improving water productivity in rainfed farming” from at ICAR-IIWM, Bhubaneswar.	ICAR-IIWM, Bhubaneswar	2017
6	Recent advances in Pressurized irrigation system for enhancing water use efficiency	CAET-OUAT, Bhubaneswar	2018

Trainings on Computer science, ICT and IOT

Sl. No	Topic	Institute	Year
1	Database management	APTECH, Bareilly	2012
2	Multimedia and interactive content development	MPWS computers, Bareilly	2018
3	Internet of things	Coursera, Edx, Simplilearn	2016-2019
4	Embedded systems with AVR microcontroller	Studyhub	2019
5	Solar PV design and business model for commercialization	National productivity council	2020
6	Automation in microirrigation system	Junagarh Agricultural Auniversity	2021
7	National training on IOT	Engineering staff college of India	2021
8	Basic geo informatics for climate smart agriculture	CAAST-CSAWM, MPKV Rahuri	2021
9	Beyond blink 3.0 Embedded ARM	KIIT- Technology Business Incubator	2022

Research Experience/ Projects handled

Research work done/ Projects handled at ICAR-IIWM: (July 2017- till date)

1. Smart water management system in agriculture:(2017-2019) Developed mobile phone app based remote pump operation along with multi field irrigation control system, which can enable the farmer to irrigate particular field as per irrigation schedule from any place in the world. The volume of irrigation can be calculated from the time period and discharge rate.
A LoRa based sensor network was also developed for recording soil moisture and soil temperature along with ambient temperature from different fields at one place.
2. Farmer FIRST : Enhancing water and livelihoods security and improving water productivity in tribal dominated paddy fallow rainfed agro eco system of Odisha. :(2017-till date)
3. Network project on Precision Irrigation (2021 till date)
4. Rubber dam automation under CRP-water theme-1 (2021 till date)
5. Canal automation under CRP-water theme-2 (2021 till date)
6. Sensor based micro irrigation automation under CRP-water theme-4 (2021 till date)
7. SCSP: Piloting water management technologies for enhancing farm productivity and income. :(2019-till date)

8. Adoption and impact assessment of micro irrigation in India with special emphasis on community micro irrigation. (2021 till date)
9. Socio-economic evaluation of water related interventions under MGNREGA. (2018-2019)
10. Impact of solar irrigation. (2021 till date)

M.V.Sc. and Ph.D. Research work

M.V.Sc. Research work: “Disaster Management and Livestock-risk forecasting pattern in the State Department of Animal Husbandry of Orissa”.

Ph.D. Research work: “Development of a need based and interactive Buffalo Reproduction Information System”

“Developed User-friendly multimedia based interactive information software for buffalo farmers”

Research work done/ Projects handled at ICAR-Central sheep and wool research institute, Avikanagar, Rajasthan: (2009- Dec 2014)

1. Marketing of small ruminants in rajasthan (2009-2012)
2. Integrated approaches for improvement in productivity of Sheep and Rabbit under field condition through transferable technologies (2009-December 2014)
3. Sheep and Wool Improvement Scheme (2011-Dec. 2014)
4. Tribal Sub-Plan Project (2013-Dec. 2014)

Research work done/ Projects handled at ICAR-North temperate regional station, Garsa, Himachal Pradesh : (Dec 2014-June 2017)

1. Development of sheep breed for superior apparel wool production (December 2014 - June 2017)
2. Development of Angora rabbit for superior quality wool production (December 2014 - June 2017)
3. Tribal sub plan project: Facilitating adoption of improved agricultural technologies in tribal region of Himachal pradesh (December 2014 - June 2017)
4. Mera gaon Mera gaurav : Demonstration of agricultural technologies in farmer field (December 2014 - June 2017)

Technical proficiency

- Development of IOT based sensing and actuation systems for canal water management, pressurized micro irrigation systems, sensor-based irrigation, sensor based water quality monitoring etc.
- Development of Android based interactive mobile app
- Development of Interactive multimedia information system using multimedia tools
- Using mobile based ICT applications like bulk messaging, voice messaging, call centre etc. for farmers in local languages
- Development, deployment and evaluation of e-learning and m-learning programme
- Using GIS Softwares for application relevant to livestock production: Arc View, Arc GIS
- SPSS for data analysis
- Conducting Participatory Rural Appraisal, Rapid Rural Appraisal.
- Study on Production and Marketing of small ruminants and their products
- Coordinating Trainings
- Development of projects for commercial small ruminant farm
- Multimedia proficiency:
Using multimedia Softwares for development of Interactive information system, CBTs & Educational movies for training the farmers

Model training courses conducted as coordinator**Declaration**

I hereby declare that entries made in this form as above are true and correct to the best of my knowledge and belief.

Place: ICAR-IIWM, Bhubaneswar
Odisha, 751023, India

(Debabrata Sethi)
