OBJECTIVE

To attain a job which provides challenges.To utilize my skills and gain further experience. To be most effective individual in an organization which trusts me with responsibility and provides opportunities to learn.

EDUCATION

- **Sreenidhi institute of science and technology**
2020
B.tech mechanical engineering
CGPA : 7.8
- **Narayana junior College**
2016
Course : PCM
Percentage : 93.1
- **St.claret high school**
2014
Board : SSC
CGPA : 9.5

PROJECTS

- **Robotics: Autonomous pick and place bot**
 - The objective is achieved using Arduino.The bot uses RF ID tag to detect object and pick the object.
 - It follows the path given by using its IR sensor. All these objectives are achieved without any human interaction.
 - Unlike other bots used in industry, this is a fully autonomous pick and place bot.
- **DESIGN AND DEVELOPMENT OF CAD MODEL OF UNIVERSAL COUPLING ASSEMBLY**
 - As part of this project the CAD model of universal coupling has been developed along with its parts for assembly.
 - In this project work a universal coupling is designed and assembled using CATIA V5 R12 by using every feature in order to complete it in less time and the different views are generated.
- **JOURNAL :DEVELOPMENT OF A PRELIMINARY SYSTEM FOR AUTOMATIC GENERATION OF CAD MODEL OF THE UNIVERSAL COUPLING**
 - Objective is to prepare a CAD model and automation of the entire process
 - So we created macros for each part using solid works design software.
 - Now any user can use these macros choose their desired dimensions and modelling of part is generated automatically.

EXPERIENCE

- **Indian Railways Diesel loco shed**
07/05/2018 - 28/05/2018
Internship
STUDY OF AIR COMPRESSOR SECTION

- **(nsic) National small industries corporation ltd.technical service centre**
17/06/2019 - 28/07/2019
Internship program
CNC Programming , Operation (milling) & Unigraphics

SKILLS

- AUTO CAD
- NX Siemens (formerly unigraphics NX)
- Python
- PTC creo
- C programming
- Java
- SOLIDWORKS

INTERESTS

- Design and manufacturing
- Robotics

ACTIVITIES

- SNIST ROBOTICS CLUB: Active member of robotics club and made several bots with a team

LANGUAGES

- English
- Hindi
- Telugu
- German

INTERPERSONAL SKILLS

- Ability to build relationships and set up trust
- Optimistic and determined

DECLARATION

- I here by declare the above information is true to the best of my knowledge.
