Gyaneshwar Enagula

EXPERIENCE

March 2013 - April 2024

Senior Engagement Manager, Qinecsa Solutions | Chicago, USA

- Managed end-to-end pharmacovigilance and IT operations for major pharmaceutical clients at Qinecsa (formerly Bioclinica & Synowledge).
- Responsible for overseeing program operations/service delivery in US and APAC regions, with a focus on managing teams of pharmacists, physicians, and healthcare professionals.
- Provided clients with comprehensive drug safety solutions, including end-to-end services such as aggregate report writing, RMPs, and medical call center support (inbound & outbound).
- Established strong client relationships and expanded business opportunities.
- Collaborated with clients to enhance process efficiency.
- Supported the Contracts & Proposals team in handling RFIs and RFPs.
- Drafted various agreements including MSAs, SOWs, PMPs, and job aids.
- Oversaw QA compliance and maintained audit/inspection readiness across multiple teams.
- Assisted in implementing strategic initiatives outlined by senior leadership, resulting in goal attainment.

December 2010 - December 2011

Territory Business Officer, Merck Sharp & Dohme | Hyderabad, IN

- Leveraged client interactions to advocate for new therapies, showcasing unique drug delivery systems to gynecologists as part of strategic business development.
- Safely collected and reported adverse events for new therapies and drug delivery systems, ensuring comprehensive safety data collection for pharmacovigilance purposes.
- Aided in the first-time launch of NuvaRing®, an innovative product, in India.

September 2009 - October 2010

Medical Business Associate, GlaxoSmithKline Plc. | Bangalore, IN

- Conducted meetings with dermatologists & general physicians to promote new therapies, introduce novel drug delivery systems, and collect adverse event data for pharmacovigilance purposes.
- Was part of the team which launched Clindoxyl® for the first time in India.

EDUCATION AND TRAINING
