

Curriculum Vitae

HIMANSHU KATAKIYA

Born : 14/03/1984

Education Qualification : Diploma in Fabrication Technology - 2005.

Certification : CSWIP 3.1 Welding Inspector
ASNT NDT Level II in UT, RT, MPT & DPT.

Experience : 16 years

Email address : himanshu.2309@rediffmail.com

Contact no : 9727777575

Residential Address : Flat no.603,siddheshwar highlife, Behind Cygnus world
Harni-sama link road,Baroda 390022

1.Expediting of various projects

Hands on experience of expediting of various items i.e. pressure vessel ,heat exchanger, galvanizing of structure items,piping, tube bundle for super heater, expansion bellows, etc.

Responsible for micro level expediting with vendors as well as sub vendors to complete the project on given time limit.

Ensure delay causes and suggest the possible ways by making daily schedule and monthly schedule.

2. Inspection experience of various items.

Experience of inspection various types of pressure vessels, heat exchangers ,heavy structure fabrications, casting, forging and pumps, valves, gear boxes, Piping and piping spools,

November 2018 to Onwards : As a Mechanical Surveyor.

Inspection and expedite of various type of structural inspection of galvanized columns, beams and pipe racks items for United phosphorus Ltd (UPL-Mumbai).

Inspection of tube bundle (Carbon steel and stainless steel) of super heat at M/s TPP boiler on behalf of Hindustan zinc ltd from December-2019 to till date.

Inspection of manufacturing of pressure vessels At Loyal equipments, Ahmadabad on behalf of Dresser rand india pvt ltd

September 2019 to October 2019

Inspection of HRSG boiler (Alloy steel, carbon steel and stainless steel) manufacturing at thermax india (mundra locations) from January 2020 to march 2020.

Expediting of expansion bellows (stainless steel) for ghatampur projects on behalf of M/s G.E india ltd form July 2019 to September -2019.

Expediting of casting of pully hub (material SEW 685) at M/s Elecon engineering co. Ltd on behalf of Thyssun crupp india Ltd from August to September 2019.

Experience of various pressure vessels,reactors and boilers Projects

Client	Manufacture name	Equipment /type	Project
Hindustan Zinc Ltd	TPP boiler Pvt Ltd	BoilerTube bundle	Chanderiya lead Zinc shelter
UPL india LTD	Hevins Engg Pvt Ltd	Structure Galvanizing	UPD-16,650 KLD,CAP-365,
Dangote oil & refinery	Thermax india	HRSG Boiler	Boiler
Dangote Oil & refinery	Thermax india	Hot oil heater	Heater
Saudi aramco	Oriental MFG pvt ltd	Pressure vessel	Farabi Downstream
Century Pulp Paper	Oriental MFG pvt ltd	Digester	Paper projects
Satia Industries	Oriental MFG pvt ltd	Pressure vessel	----
Toyo engineering	Oriental MFG pvt ltd	Pressure vessel	-----
Jyoti Ltd	Oriental MFG pvt ltd	Valve	Indian Neavy
denielly corrus	Oriental MFG pvt ltd	Pressure vessel	delhi projects
DHIS reactor	LNT Hazira,surat	Reactor	China reactor
Phoenix paper	LNT Hazira,surat	Pressure vessel	Evaperator

October-2021 to till date :TUV india LTD, Mumbai (Vadodara region)
Designation:- Expeditor/Surveyor

Responsibilities:

In line inspection of structural fabrication items like beams,columns,stair case and pipe racks.

Galvanizing inspection of structural material as per IS- 2629 code on daily basis activity and preparing the report.

Expediting and in-line inspection of pressure vessels and heat exchangers at various vendor places at vadodara,Gujarat locations.

Hands on experience of different flanges,valves,pipes and pipe spools and casting with suitable codes,standards and approved Q.A.P.

Nov-18 to Oct-2021

**: Tata Projects Ltd, Vadodara, Gujarat
Designation:- Expeditor/Surveyor**

Responsibilities:

Responsible to Expediting the project from procurements to dispatch of the equipments. Co-ordinate of stage activities with vendors and sub-vendors also to complete the project on time. In line inspection of HSG boiler and hot oil heater at thermax india.

Witness of PWHT, Hydro test, welder qualifications and NDT of Pipe Weld visual inspection and alignment of pipes spools and structural Items.

Hands on experience of inspection of pressure vessels and Heat exchange of various materials.

Experience of Inspections of Pipes and pipes fittings. Conducting verification at various stages of fabrication and getting clearance from TPI as per QCP like Part Identification / Material verification, Fit up Inspection, weld Visual Inspection, Final Dimension check, Level Inspection, etc.

Oct' 2017 to June-18

M/s. Oriental Manufacturers Pvt Ltd. Vadodara, Gujarat.

Responsibilities:

Familiars with various materials like S.S 304, S. S316, S.S. 309.Prepare Various types of materials WPS, PQR, Weld Plan/procedure and QAP as per Job requirements.

Knowledge of ASME Sec IX, Sec V, D 31.1 and D 31.3 Conducting Inspection in line with various types of TPI and clients. Prepared Documentation of daily inspection Fit up and final dimension as per approved QAP at various stages of pressure vessels and Heat Exchangers. Witness Welders qualifications and maintaining records. Inspection of Hydro test and Pneumatic test of Piping Systems.

Dec' 2011 to Aug' 2017

M/s. Reliance Defence & Engineering Ltd.

Designation: QC Engineer.

Responsibilities:

Attend Inspection at vendor place for Rack inspection (weekly/Annual Inspection),piping and pipe fittings. In hand experience of structural inspection at vender places.

Planning inspection activities as well as formulating Welding & Testing Plan, Inspection Procedures, NDT Drawings according to specifications.

Conducting verification at various stages of fabrication and getting clearance from TPI as per QCP like Part Identification / Material Verification, Fit up Inspection, weld Visual Inspection, Final Dimension Check, Level Inspection, etc.

Accountable for approval General Arrangement of Drawings, Weld plans, WPS PQR,WPQ, NDT plan, seam-wise check list, NDT procedures, Positive material identification, Heat Treatment Procedures, Material Procedures, Manufacturing sequel Procedures, Inspection & Test plan.

Monitoring and Inspection of fit-up joints with dimensions and orientations. Activities in all area of the project as per welding and fit-up inspection request, Witness the APT, Leak test, Hydro Test with the surveyor and Owner.

Dec' 2010 to Nov' 2011

: M/s. ABG Co.LTD , Bharuch

Responsibilities:

Inspection of material identifications with MTC. Verifying material and equipment along with subcontracted items at vendor's place.

Fit up and visual inspection of piping and structural members. Monitoring of various welding methods like SAW, SMAW, TIG, FCAW. Involved in day to day documentation activities. Deal with TPI for daily inspections activities

Feb' 2009 to Dec' 2010

: M/s. Alock Ashdown, Bhavnagar

Responsibilities:

Performing DFT checking for blasting and painting (Wet / DFT, Surface Preparation & Final Appearance).

Dimension checking of piping and structural works. Inspection of Hydro test and D.P. test.

Material Identification as per Drawings. Responsible for Q.C.report as well as third party Inspector.

Apr' 2007 to Dec' 2008

: M/s. Reliance Eng. Asso.Ltd

Responsibilities:

Witness of welder qualification in various positions and materials. Inspection of welding on piping & structural joints. Conversation with Sec IX and Sec V.

Co-ordinate with execution, testing group in the preparation test requirement at each test pack and facilitate close-out of any outstanding punch items before and after the pressure tests.

Jan' 2006 to Apr' 2007

: M/s. I.I.S. (L & T Hazira Sura)

Responsibilities:

Witnessing & evaluating of different Non Destructive tests like Visual Examination, Dye Penetrating Test, Ultrasonic Test, etc.

Fit up examination of shell to nozzle, shell to dish end and palets of various types of Dish end. Knowledge about various welding process like SMAW, GTAW.
