

LAKSHYA BHARDWAJ

Data Analyst | Computer Science Major

Gurugram, Haryana | +91 9990001594 | l.bhardwaj0624@gmail.com

 [Lakshya Bhardwaj](#) |  [L-Bhardwaj](#)

SKILLS

- Python
- SQL
- Power BI
- MS Excel
- Data Analysis
- Data Pre-processing
- Statistics and Probability
- Machine Learning
- Deep Learning
- AI Tools
- Communication Skills

PROJECTS

Health Buddy - Medicine Recommendation System

<https://github.com/L-Bhardwaj/HealthBuddy-Project>

Developed a Python based medicine, home remedies recommendation system. The technologies used in this project is:

- Python libraries (scikit-learn, numpy, pandas), Flask Framework of Python, Html, Css, Javascript
- The recommendation system will recommend the medicine and precautionary actions for the minimal issues that doesn't require doctor's prescription.
- Used Supervised ML Techniques

Movie Recommendation System

<https://github.com/L-Bhardwaj/Movie-Recommendation-System>

Developed a Python based movie recommendation system.

- Python libraries (scikit-learn, numpy, pandas, etc.), Streamlit
- The program will recommend 5 movies based on the searched movies by comparing their cast, genres, etc

Face Recognition Attendance System

<https://github.com/L-Bhardwaj/facial-recognition-attendance-system>

- Developed a Python based Face Recognition System Using Tkinter Library, and openCV
- The application Will automatically mark the attendance of the student by recognizing it in a csv file
- The admin can edit the attendance and detail of the student if required

EDUCATION

Batchelor of Technology in Computer Science,
Specialization in Artificial Intelligence

2021-2025

Class- 12th

Royal Public Sr. Sec. School, Wazirpur, Gurugram

2021

96.4%

Class- 10th

Royal Public Sr. Sec. School, Wazirpur, Gurugram

2019

95.6%

EXTRA CARRICULAR

Hackathons

- Code Sangam (SGT)
- IIT Tryst (IIT Delhi)
- HackUtsav (NCU)
- HachWithMAIT

Certifications

- GDG Study Jam 24'
- IMB AI Certification
- Japanese Language
