

MOHD-MUTHI-UR-RAHMAN

Mobile: 8801314224 ~ E-Mail: mohd.rahman144@gmail.com

OBJECTIVE:

As a Beginner in the Industry, While making a positive contribution, I would like to build a career making the best use of my analytical, logical, creative and programming skills to perform the job.

EXPERIENCE:

Organized Internship at Deccan College of Engineering and Technology through MMR Digital Security Solutions.

CORE COMPETENCIES

- ✓ Hardworking
- ✓ Patience
- ✓ Strong motivational and leadership skills
- ✓ Positive attitude
- ✓ Comprehensive problem solving skills
- ✓ Awareness for responsibilities

EDUCATIONAL CREDENTIALS

Qualification	College/Institution	Board/University	Year	Aggregate
B.E(ECE)	Deccan College Of Engineering And Technology	Osmania University	2019	59.6%
Intermediate	MS Junior College	Board Of Intermediate Education	2015	54%
SSC	Crown International High School	Secondary School Certificate	2013	65%

TECHNICAL SKILLS:

Programming Languages : C, C++, JAVA.

Operating Systems Known: Windows XP, 7, 8, LINUX.

Application Software : MS Office, Arduino, µVision Keil, Proteus 8 Professional.

Domain's Known : Embedded System, IOT(Internet of Things), Image Processing, Speech Processing, Automation, VLSI Designs.

ACHIEVEMENTS:

1) Won third prize in Technical Fest 2018 held at SHADAAN COLLEGE OF ENGINEERING AND TECHNOLOGY for Pick and Place Robotic ARM.

2) Won the TROPHY from Deccan College of Engineering and Technology for Doing more than 25 Projects.

3) Attended The Workshop at Muffakham Jah College of Engineering and Technology.

PROJECTS UNDERTAKEN:

Mini project on SPY ROBO using RF.

Mini project on Spectrum Analyzer using LM3915 IC.

Mini project on Pick and Place Robotic ARM with RF.

Mini project on Water level indicator using BC 547.

Mini project on Fake Flame using cloth, led's and 12v DC Fan.

Mini project on Infinity Mirror Using Reflector, Mirror and led's.
 Mini project on Smart Street Lights System using IR Sensors and led's.
 Mini project on Clap Switch Using BC 547.
 Mini project on Portable Power Bank using 7805 IC.
 Mini project on Laser security System using ldr with amplifier and laser.
 Mini project on Sugar Candy Machine using 5v DC motor.
 Mini project on Line Follower Robot using L293D IC.
 Mini project on RADAR for Obstacle Sensing Using ultrasonic sensor.
 Mini project on Automatic Head Light ON System using ldr.
 Mini project on Smart car which is used for obstacle Alerting System.
 Mini project on Logic Switch using 555Timer IC.
 Mini project on Smart Speed Breaker.
 Mini project on Smart Street Lights.
 Mini project on Smart Pedestrian Lights.
 Mini project on Automatic Traffic Lights Controlled Using Arduino.
 Mini project on Speed Detector using IR sensors.
 Mini project on Water level indicator using Ultrasonic sensor.
 Mini project on Memory Game using Arduino.
 Mini project on Smart Dustbin using Arduino.
 Mini project on Fancy Lights Using Arduino.
 Mini project on Google Assistant Based Home Automation using Node MCU.
 Mini project on IOT Based Home Automation using Node MCU.
 Mini project on Smart Weather Station using IOT.
 Major project on Smart City Automation with IOT.

INTERESTS:

- 1)Programming,
- 2)Electronics,
- 3)Creativity,
- 4)Teaching,
- 5)Typing.

PERSONAL PROFILE

Full Name	Mohammed Muthi ur Rahman
Father's name	Mohammed Museeb ur Rahman
Date Of Birth	23 rd July 1997
Sex	male
Marital Status	Unmarried
Nationality	Indian
Permanent Address	H.No. 20-7-230, Qazipura, Shalibanda, Hyderabad - 500065
Languages Known	English and Urdu

DECLARATION

I am keen to continue and prepared to work hard in order to achieve my organization objective and hereby declare that the information furnished above is true to the best of my knowledge.

DATE: 4th NOVEMBER 2019

PLACE: Hyderabad
