

PRANAY RAIPURE

Electronics & Telecommunication Engg.

PERSONAL STATEMENT

Learning about new and emerging technologies in the manufacturing and engineering sectors, analog/digital circuit design and debugging and computer programming substantial amount of related industry experience, but passion will drive me to the best engineer on the floor.

INTERNSHIP

Cojag Smart Techonlogy Pvt.Ltd. NOV'19 to MAY'20

Initially, I learnt to code in python and to speak formally to people, also we took workshop in schools on app development on beginner level. Completed studying the project called AEROMAGNETIC DATA ACQUISITION PROCESSING USING DRONE AND GEOPHYSICAL TECHNOLOGY.

ACADEMIC PROJECT

- Artificial intelligence based industrial automation using ALEXA.
- Aeromagnetic data acquisition and processing using drone and geophysical Technology.

CERTIFICATION

- Python Certification
- Python for Data Science
- Cloud Foundations
- Introduction to Big Data and Hadoop
- Face painting limca book of record
- Theme dance competitions GHRCE
- Deep learning using MATLAB IIT Bombay
- Global entrepreneurship summit 2019 IIT Kharagpur

CONTACT DETAILS

📍 Gokul Nagar Ward NO.23

SKILLS

- C Programming
- Python
- HTML 5 & CSS 3
- SQL

LANGUAGES

- English
- Hindi
- Marathi

INTEREST

- Reading
- Writing
- Dancing
- Watching
- Playing pool

EDUCATION

B.E. (Electronics & Telecommunication)

G.H. Rasoni College of Engineering
(Autonomous)

Year: 2020

CGPA: 7.01

Diploma in Engineering

(Electronics & Telecommunication)

Govt. Polytechnic, Gadchiroli

Year: 2016

Percentage: 68.06%

HSC (Vocational)

Maharashtra State Board

Year:2013

Percentage:65.33%

SSC

Maharashtra State Board

Year: 2011

Percenatge: 47.60%
