CAREER OBJECTIVE

To work in high-grown organization with a competitive and challenging environment that creates an ideal condition for delivering high quality services.

SKILLS

Li-ion Cell Chemistry, Modeling And Modeling Fundamentals	I have done Course on Li-ion Cell modeling for Li-ion Battery systems
Electric Motor Vehicles And Battery Sizing Hand Calculations	I have done course on DESIBELS pvt limited about EV battery Hand Calculations and how to reduce the size of the battery For great flexibility
Heat And Mass Transfer Using Model Based Design	Successfully completed the virtual Lab using Scilab Xcos software on Heat & Mass transfer using model based Design
Auto CAD, Solid Works, Catia,Creo, Fusion 360,Ansys Workbench	I know the basis of solid works how to create a part model, like 2D, 3D and Assembling those models and to get final finished model.
Microsoft Excell	Learnt Microsoft Excel by LUDIFU that How to Analysis data from Excel
Micro Soft Power Point	Learnt Microsoft Power point upto Intermediate level.
Attended Mechanical Engineering Related workshop	online workshop
Python And Java	Learnt Python and java Basic programming language
CNC Operations And Programming	Done online internship program on CNC operation and programming conducted by VTU
CMM And RMM Machines	Done 2 week internship on CMM(Coordinate Measuring Machines And Roundness measuring machines) by apex hi tech Institute peenya bangalore
Internship On Business And Sales Development	Done internship on business development and sales by Grad2live on-line platform

PROJECTS

Project Name : Design And Development Of Cylindrical Lithium -ion Battery Pack Cell.

Role : Group Member

Team Size : 4

Project Duration : 6 Month

Project Detail

This is portable lithium ion battery pack which can be used for small vehicle, UPS and many more.

Project Name : Solar Based Air Compressor Pump

Role : Team Leader

Team Size : 6

Project Duration : 6 Month

Project Detail

In this solar based air compressor pump we compressor the air by using solar energy.

EDUCATION

Degree/Course	Institute/College	University/Board	Percentage/ CGPA	Year of Passing
BE In Mechanical Engineering	JSSATE, Bangalore	VTU	7.31 CGPA	2021
Diploma In Mechanical Engineering	Dayananda Sagar Institute Of Technology	DTE	70.18%	2018
SSLC	United Academy	KSEEB	70%	2015

ACHIEVEMENT

Sports(Volleyball District Level)

School volleyball i had participated in District level.

HOBBIES

Reading Novals and Story Books, Biker, Traveller , Sports, Music.

PERSONAL DETAILS

Address Guddnehalli Main Road, Opposite Canara Bank, Vijayanagar 2nd Stage, Hassan -573201

Date of Birth 11/01/1999

Gender Male

Nationality India

Marital Status Unmarried

Language Know Kannada, English, Hindi.

DECLARATION

I do hereby declare that the above given statements are true and correct to the best of my knowledge.
