

CURRICULUM VITAE

SNEH PRATAP SINGH

AUTOMATION ENGINEER (E & M Project)

Total Years of Experience: 3+ years

Contact No: +91 8979959629, 9418707240

Email Id: snehpratap95@gmail.com

Summary

A highly motivated and dynamic graduated in Electrical & Electronics Engineering is currently having 3+ years of overall professional experience in the Industrial Automation (Control and Project Engineering) in the field of Highway Road Tunnel E&M Project, Water Works ESCO Project. I also have experience in PLC, SCADA & Drive related Services to various Industries.

Seeking an increasingly responsible position in your organization for career development and challenging environment where my qualification, experience and dedication can be utilized for the prospect of the organization.

Key Skills

- Knowledge in Automation System and Engineering for Highway Road Tunnel (E&M) Project, Water Works Projects and services to the industries (Drive & PLC).
- Knowledge in PLC Programming, HMI Designing, SCADA Development & Drive Operation.
- Preparation of PLC programming flow chart, IO List & Cable schedule.
- Sound knowledge of MS Office, C & MS SQL
- Knowledge in Installation, Testing & Commissioning of various Instrument System and Electrical Equipment.
- Testing and commissioning of Electrical (LV & MV) System, Firefighting system, Fire detection system, Tunnel Ventilation system & Instrumentation system for E&M projects.
- Knowledge in FAT & SAT procedure for project related equipment's.
- Knowledge in Preparation of Maintenance related Checklist/formats & document.

Academic Qualification

- **B.Tech in Electrical & Electronics Engineering, 2018 (Dr. Abdul Kalam Technical University, Lucknow(UP))**
SRMS College of Engineering and Technology, Bareilly - 78.20%
- **Higher Secondary School, 2012(UP Board)**
I.S. Inter College, Allahabad - 66%
- **Secondary School, 2010(UP Board)**
S.R.B.M.V. Atrauli Karmauta, Ballia - 61%

Career Summary

From	To	Company/Project/Position/Relevant technical and management experience
Nov 2020	Till now	Savronik Sistem India Pvt Ltd/Automation Engineer
Sep 2018	Oct 2020	Intelligent Autocontrol Pvt Ltd/Sr. Engineer – Project Execution

Current Employer:

Savronik 1. Savronik Sistem India Pvt. Ltd.

Nov. 2020 to till now

Client : Border Road Organization

Engineer : SMEC International Pty Ltd

Project : Atal Tunnel Project (9.02KM Rohtang Highway Road Tunnel)
Designation: Automation Engineer

Job Responsibilities

Preparation of BOQ & BOM, Study of Automation scenarios & PLC Programming using SCL & Ladder Language; Automation related sensor (like ventilation damper, Axial Fan, AQM, AFM, Mass Flow Meter, Level Transmitter, Pressure Transmitter, Energy Meter) installation, commissioning and data testing. Supervision of Control cable laying, tagging and termination to the related panel as per the cable schedule. PLC used – Siemens S7-400(H-System).
Software used – Simatic Manager v5.6.

Integration of 33kV & 11kV GIS Panel, RTCC Panel, MV & LV Electrical Panel, VFD, Axial Fan (630 kW), Fuel transfer Pump, Gas Sensor, Differential Pressure Switch to PLC.

Testing of Electrical MV & LV system, Tunnel ventilation system, Buildings HVAC Services, Tunnel Fire hydrant system, Tunnel Fire Detection and Suppression System, Instrumentation system, Bulk Underground Diesel Fuel Storage Tank and Associated Fuel Transfer Pumping System.

Previous Employers:

 Total Commitment & Quality Assurance		2. Intelligent Autocontrol Pvt. Ltd., Gurgaon	Sep. 2018 to Oct. 2020
Client	:	Public Health Engineering Department	
Main Contractor:	:	Desire Energy Pvt. Ltd., Jaipur	
Project	:	ESCO Project	
Designation	:	Sr. Engineer- Project Execution	

Job Responsibilities

Preparation of Cable schedule, IO List, Programming Flow-Chart & SCADA graphics design. Offline software development for PLC, HMI and SCADA, or any other software tools required in the projects and executed on the site. Monitoring of App & Web design and MS SQL data.

Installation, Commissioning & integration of field instrument like Energy Meter, Flow Meter, Level Sensor, LOH-ROF, Pressure Transmitter, Star - Delta Starter, Pneumatic Valve & Limit Switch. I have provided service to the industries related to HMI, PLC, SCADA and Drive.

PLC- Siemens (Software- Tia Portal, Simatic Manager, Microwin, Microwin Smart)
Schneider (Software- SoMachine)

HMI- Schneider (Software- Vijeo Designer V1.0 & V6.0, EcoStruxure V3.1)
Siemens (Software- WinCC Flexible)

SCADA- Citect Scada

Communication Protocol- Modbus RS-485, RS-232 & TCP/IP.

Projects Handled

- ATAL TUNNEL E&M Project, Rohtang (Himanchal Pradesh)- Since Nov 2020.
- SCADA development for Urban Water Management of Bikaner city (PHED Rajasthan)- Sep 2018 to June 2019
- Efficient Supply system of Power, Ajmer (ESCO Rajasthan)- June 2019 to Jan 2020
- Monitoring & Controlling of Water supply system, Ajmer (PHED Rajasthan)- Feb 2020 to June 2020
- Monitoring & Controlling of Water supply system, Sanand (PHED Gujarat)- July 2020 to Oct 2020

Language Proficiency

- English and Hindi (Fluent- Read, write & speak)

Personal Profile

Father Name	- Raj Kamal Singh
Nationality	- Indian
D.O.B	- 05.07.1995
Gender	- Male
Marital status	- Unmarried

Declaration

I hereby declare you that all the above-mentioned information is true and I am responsible for any discrepancy.
