

RESUME

Mr.Valmik Gopal Mahajan

Mob: - +918149901161, 7709797649.
Email: - valmikhmahajan04@gmail.com
Add: - Gat No.249/A/1, Plot No.45,
M.D.S.Colony, Jalgaon 425001

Career Objective

A growth oriented and challenging position in a progressive organization where my skill will be utilized in the best way with a scope of learning, innovation and career development.

Professional Summary

- BE in Electrical Engineering (2016-2019)
- Have profile knowledge in the field of Electrical design and automation
- Ability to do multitask work under critical situation, discipline and smart worker.
- Capable to work in tem for achieving organizational goal.

Academic Qualification

- Completed bachelor of Electrical Engineering and secured 7.46 CGPA Yr. 2016-2019. North Maharashtra University. jalgaon
- Passed Diploma in Electrical Engineering with 66.00% in the year 2016 from MSBTE. Pune
- Passed 10th with 52.60% in the year 2012 from SSC board, Maharashtra.

Work Experience

- Executive Electrical & instrumentation(Automation) Engineer.at sidhart carbochem product limited. **(01 oct 2020 – till date).**
- Worked as Maintenance Engineer in Novateur Electrical & Digital System. ([Legrand](#)) , jalgaon.
- Worked as Trainee Engineer at ENRUN INDIA PVT LTD , (HYDERABAD)
- Training in Bhusawal Sector (M.O.H) CENTRAL RAILWAY INDIA.
- Paper published in National Level Conference (Quantum Motor)

Technical skills & responsibilities

- Electrical core designing. MCC, PCC, AUTOMATION panel designing
- Load calculation, short circuit calculation, voltage drop, all voltages cable sizing.
- Electrical Internal and external calculation.
- Using ETAP software and Siemens VCB relay protection reydsp software, AUTOCADD
- Control wiring of Electrical Circuit.
- PLC wiring, Programming Commissioning & Troubleshooting.
- SCADA Designing & PLC Connectivity for data acquisition and remote Controlling.
- IIOT based PLC application development.
- Industrial instrument selection and functionality based on requirement.
- HMI designing and VFD programming and installation.
- Making sure all electrical equipments are grounded properly which is a vital tool for human safety
- Coordination with senior engineers for systematic distribution of work among man power.

Automation Knowledge

- **PLC's** : (Allen Bradley, Siemens, Mistubishi, Schneider, ABB, Delta & Panasonic) Ladder Logic Development, wiring & Troubleshooting.
- **SCADA**: Intouch, Application Devlopement.
- **HMI**: Creating Application, Dounloading/ Uploading program, Communication with PLC HMI
- **VFD**: Parameter setting & confriguration with PLC
- Field bus protocol: profibus, profinet, industrial Ethernet& ModibusCommunication.

Project Detail

- Programming substation automation using plc
Protection to the over voltage , over current , and temperature

Software skills

- Programming language: Ladder logic, STL, FBD.
- Application Packages: INTOUCH, SIMATIC MANAGER, RSLOGIX500, 5000,
- CODESYS, SO MACHINE Basic.
- Operating system Awareness: WindowsXP,Windows7, Windows8.
- ETAP ELECTRICAL POWER SYSTEM ANALYSIS SOFTWARE .
- SIEMENS VCB RELAY PROTACTION SOFTWARE.

Personal Information

Permanent Address:

Gat No.249/A/1, Plot No.45,
M.D.S. Colony,Jalgaon 425001

- Mobile : + 91 8149901161, 7709797649
- Date of Birth : September 04, 1996
- Gender : Male
- Marital Status : Single
- Languages Known : English, Hindi, Marathi
- Interests : Create new things.
- Father Name : Mr. Gopal Kruparam Mahajan.
- Mother Name : Mrs. Ranjana Gopal Mahajan.

Declaration

I hereby declare that all the above information is true to the best of my knowledge.

Thanking You

Place: JALGAON.

(VALMIK MAHAJAN)
