

VIKRAM

ACADEMIC DETAILS

Year	Degree / Exam	Institute	GPA/Marks(%)
2017	M.Tech in Communications Engineering	Indian Institute of Technology Delhi	7.25
2014	B.Tech in Electronic and communication	KIET, ghaziabad	69

WORK EXPERIENCE

Organization:- Airport Authority of India (2017-present)

Description :- Working as Asst. Manager in CNS(communication,navigation, and surveillance) department

Job Profile:- Handling designing,updaton ,maintenance,operational and other administrative responsibility of vast variety of electronics system like automatic message switching systems, RADAR,Instrument landing system essential for flight operations .

Achievement :- Designed Application for query different flight related information for different flight operator from database.

M.Tech THESIS

Title - Performance of Simultaneous Information and Power Transfer in 5G System

Supervisor - Prof. Shankar Prakriya

Description - In this thesis, we analyze the Performance of simultaneous wireless information and power transfer (SWIPT) to non-orthogonal multiple access (NOMA). A cooperative SWIPT NOMA protocol is proposed in which near NOMA users which are close to the source act as energy harvesting relays to help far NOMA users.

PROJECTS

GSM BASED ENERGY METER (Feb, 2016 - May, 2016) : Smart energy meter for paperless biling and monitoring electricity usage, using GSM MODULE 900, Arduino.

IMPLEMENTATION OF ROUTED COMMUNICATION LINK USING SDR (Feb, 2016 May, 2016) :

Implementation of routed comunication link for TWO WAY AUDIO and LIVE VIDEO STREAMING.

We were able to double the transmission distances and study the performance of various modulation schemes.

TECHNICAL SKILLS

C/C++ programming, Data structures, Network Simulator- ns2, Wireshark, arduino (IDE), intellicad,AVR studio, WINAVR, MATLAB

COURSES DONE (M.TECH)

Signal Theory , Digital Communications , Microwave Theory And Technique , Detection & Estimation Theory , Broadband Communication System , Mimo Wireless Communications , Microwave Laboratory , Wireless Communication Laboratory ,Networks Laboratory .

EXTRA CURRICULAR ACTIVITIES

Special adventure course :

Awarded grade "A" in adventure course in mountaineering,trekking by HMI (darjeeling).

OTHER INTERESTS

Badminton, Traveling and social services
