

Satyasudha Sahoo

At: Toranapada, Po: Goramati, District: Bhadrak, Odisha, Pin: 756123

📞 7008958740 ✉️ satyasudhasahoo@gmail.com

Education

M.Sc. in Applied Geology	2024
Pondicherry University, Puducherry	Secured Percentage: 69.03
B.Sc. in Geology	2022
Bhadrak Autonomous College, Bhadrak	Secured Percentage: 79.11
Diploma in Mining Engineering	2014
Orissa School of Mining Engineering, Keonjhar	Secured Percentage: 77.21
Matriculation	2007
Sabarang High School, Sabarang	Secured Percentage: 72.26

Scholastic Achievements

- Qualified IIT JAM 2022
- Secured 99.97 percentile in CUET PG 2022

Work Experience

Mining Trainee	2015-17
IMFA, Mahagiri Mines, Odisha	
Gained experience in underground chromite mining operations, including drilling, blasting, and ore extraction.	
Internship in Diamond Mining	2012
NMDC, Majhgawan, Panna, Madhya Pradesh	
Learned about diamond mining processes, from exploration to processing, with hands-on experience in the field.	

Research Experience

M.Sc. Dissertation	2024
<i>Magmatic, Submagmatic, and Solid-State Deformation Structures and Textures in the Granitoid of Southeastern Ladakh Batholith</i>	

Geological Field Visits

- **SGT, Tirunelveli, India:** High-grade metamorphic rock study, including fluid fluxing, charnockite, lineation, foliation, boudinage, folds, and faults.
- **Chudapha Basin, Vempali, India:** Mapping and stratigraphy study of sedimentary rocks.
- **Singhbhum Craton, Odisha, India:** Study of economic mineral deposits and ore-forming processes, including iron ore, manganese, bauxite, chromite, graphite, and coal.

Skills and Expertise

Technical Skills: Petrological and Ore Microscopy, Mineral and Rock Identification, Geological Mapping, Structural Geology Analysis, GIS and Remote Sensing
Languages: English, Hindi, Odia

Hobbies and Interests

- Ore Geology, Igneous and Metamorphic Petrology, Geochemistry, Plate Tectonics, Exploration Geology
- Hiking, Outdoor Activities, Scientific Reading, Travel, and Cultural Exploration
