About UniConverge Technologies

We are a group of IIT/NIT Alumnus and professionals from variety of fields like Algorithms, System Modelling, Telecom, Data Analytics, Cloud Computing, IT, Automation testing and Distributed Architectures etc. but beyond all this we are a bunch of Emerging Technology Enthusiasts.

We are also a staffing firm serving clients across India since 2015 that specializes in matching the right talent to the right job opportunities.

Uniconverge has been immensely successful in creating a global network of highly adept intelligent workforce that can help a company achieve their mission-critical projects and goals.

Why Uniconverge?

-  Uniconverge has a highly skilled set of talents that are built on referral and successful partnerships.
-  Our recruiters are exceptionally skilled in identifying top talent around the globe and matching them with the client's needs.
-  We have an 85% fill ratio for every open position we partner for.
-  Contract renewal rate for our consultant is 90% and 60% of our consultants are converted to full-time employees

SERVICES OFFERED

Consulting services – UniConverge provides top consulting talent quickly and at no additional cost. We work on contracts staffing and take care of all the hassles like payroll, taxes, time tracking, and workers comp insurance. Each candidate of ours is well screened and referenced for our client's satisfaction.

Full time employees – UniConverge provides the best possible talent for your full-time hiring needs without leaving your pockets empty. We beat all the competition fees and guarantee the best talent.

Temp to perm hires – You need to fill a role but before that you want to be doubly sure that it's the right fit. No problem at all, we provide temp-to-hire resources who can work for you on a short term contract. If everything goes well they can be hired as a full-time resource.
