

ABHISHEK KUMAR DUBEY

EDUCATOR & TRAINER

CONTACT

- +91-8269531174, +91-9565889732
- information.dubey.abhishek@gmail.com
- Dubey Niwas, Behind of District Court,
Vasundhara Colony, Civil Lines,
Chandmari, Lalitpur (UP)

SKILLS

Robotics, Aerial & Ground Vehicle
Designing, AI and ML

IOT's & Embedded Systems

Antenna Design & Fabrication

Technical Content Reviewing
& Writing

EDUCATION

Doctor of Philosophy

Amity University, Gwalior

2025 - Till Date*

Master's in Technology

Dr. APJ Abdul Kalam Technical
University, Lucknow

2022-2024

M. Tech in Electronics and
Communication Engineering with Rank 1
& Hons.

Bachelor's in Technology

Dr. APJ Abdul Kalam Technical
University, Lucknow

2018-2022

Bachelor's in Electronics &
Communication Engineering with Rank 1
& Distinction

Schooling

Council for the Indian School Certificate
Examination (CISCE)

2016 & 2018

Did Xth & XIIth in respective years

ABOUT ME

I hold a Bachelor's, Master's degree in Electronics & Communication Engineering and currently doing Ph.D in the same . Throughout my academic journey, I developed a strong passion for teaching and research, which has significantly shaped my career goals. I am eager to join an educational institution where I can inspire and mentor students, actively engage in research that drives innovation, and contribute to society by helping to nurture and guide young engineering minds. My aim is to create a dynamic learning environment that fosters curiosity, critical thinking, and a commitment to excellence.

ACHIEVEMENTS

2018-2024

- Awarded by **Yonsei University, Korea** for designing a Bluetooth sensing module
- Awarded by **IBM** in the field of Artificial Intelligence
- Got 100 Percentile from **Michigan School of Information & Technology** in "Getting Started with Python Programming"
- Became Chief student coordinator of Virtual Labs and awarded by Department of Electrical Engineering, **IIT Roorkee**
- Awarded by **MNIT Jaipur** for a successful participation and conduction of a Faculty Development Program
- Got the **Youngest Achiever Award** in the field of Science & Engineering
- Got **Research Excellence Award** by BIT, Raipur and STAMI, India
- Assisted **Indian Space Research Organization (ISRO)**, During the Space Exhibition in BU Jhansi
- Became a Professional Member in the **InSc Council**, a Karnataka Based Organization which connects Scholars
- Published Articles in **International and Foreign Journals** of Electronics, Electrical and Computer Science & Engineering
- Became Reviewer in an **International Journal of Electronics, Electrical and Communication Engineering**
- Written and Published a Book under **Kindle Publications, Seattle (USA)**, titled as **A Towering Threat, Investigating the impacts of Mobile Towers on Bird Habitats**
- Became an Editor for the Book series, "**Futuristic Trends in Robotics & Automation**" under Iterative International Publishers (IIP, USA)
- Became Chief Student Coordinator at **Robotics and Coding Clubs** at SR Group of Institutions, Jhansi and did various Projects
- Got the opportunity to lead the **MTLC Lab**, organized by **Wipro** under Mission 10x featured by Research & Development Cell, SR Group of Institutions
- Served in the **Core Team** and unofficially headed the Technical Department in the **Panache "Ekadash"**, the annual techno-cultural fest at SR Group of Institutions, Jhansi
- Also won different **Sports** events including athletics, cricket, and table tennis under "**Velocity**", annual sports meet at SR Group of Institutions, Jhansi
- Became **President** for the **Panache "Dvadash"** and headed the entire event at SR Group of Institutions, Jhansi

PROJECTS DONE

2018-2024

- Designed an **Infra-Red Sensor Based**, User-Oriented Line Follower **Robot** System in 1st Semester.
- Designed an Obstacle Avoiding **Robot** System Using **Ultra-Sonic Sensing** Technology in 2nd Semester
- Designed a portable Sonar System Using **HCSR-04** in 3rd Semester
- Created an **Arduino Based Hand Motion Control Drone** and published a **Research Paper** on it

ABHISHEK KUMAR DUBEY

EDUCATOR & TRAINER

EXPERTISE

Arduino IDE & Microcontroller's i.e. UNO, NANO and Mega and ESP32 Controllers

CAD Tools for Design & Fabrication, MS Office (For Documentation Purposes)

IoT's, Embedded Systems & WSN

Basic Electronic Devices i.e. BLDC & CLDC Motors, Servo Motors, ESCs, Motor Drivers, others

EXPERIENCE

Lead Trainer and Course Designer for IoT and Robotics for Sunder Kiran Management Services for International Students of Junior and Senior Grade - Hybrid - January 2022 - Till Date*

Assistant Professor, in CSE-IoT Department at Sagar Institute of Science, Technology & Engineering, Ratibad Campus, Bhopal (MP) October/2023 - December/2024

Subject Matter Expert and Trainer for Robotics and Internet of Things, Ethnotech Academy Solutions, Bengaluru, Karnataka August 2024-January 2025

LANGUAGES

English

Hindi

REFERENCES

Dr. Vinod Kumar Singh

+91-9451937136

Professor and Dean of Research & Development Cell, Dr. APJ Abdul Kalam Technical University, Lucknow (UP)

PROJECTS DONE

2018-2024

- Designed an **Audio-Processing and Verbal Controlled Robot System** using Bluetooth HC005 Module and L29 MD Series Devices
- Created a Spying and Obstacle Avoiding Distant Robot System based on **Dual Tone Multi-Frequency Technology**
- Created an **IOT Based Home Automation System**
- Created an **IOT Based weather Forecast and Reporting System**
- Created an **IOT Based Manhole Detection System**
- Created an **IOT Based Coal Mine Safety Monitoring and Alert System**
- Created an **IOT Based Human Heart Health Monitoring System**

PUBLICATION DETAILS

- Abhishek Kumar Dubey, Vinod Kumar Singh, "Human-Centric Networking: Bridging Traffic Classification, Well-Being, and Wearable Antennas", 2024, Published in IGI Global USA, Ch.6, ISBN13: 9798369340264, Titled: Design and Simulation of Wearable Antennas for Healthcare. (IGI Global)
- Abhishek Kumar Dubey, Vinod Kumar Singh, "Hybrid Optimization Algorithm with Random Forest Classifier for IoT Traffic Classification", International Journal of Applied Engineering & Technology (IJAET), Vol 5, Issue. 4, Dec 2023, 3741-3755. (Scopus)

INFORMAL INFORMATION

- My father's name is Shri. Sanjay Prasad Dubey and he is the Driver of District Judge, Lalitpur
- My mother's name is Smt. Manorama Dubey and she is a Home-Maker
- Apart from me, I have an elder and a younger sister
- My Date of Birth is 31/12/2000
